## **VII. Review and Admission Process**

1. Tongji University adopts a material review system for admission and organizes written examinations or interviews for each college. We perform evaluations according to the overall capabilities of the students and select the best candidates for admission.
2. After submitting the application, the applicant must regularly check the information and application status in the application system and complete each step strictly as prompted. If the follow-up process is delayed due to failure to check a notification in time, the applicant is responsible for the delay.
3. After the school submits the recommended list to the China of China Scholarship Council (CSC), the CSC will organize experts in relevant disciplines to review the applicants' academic performance, comprehensive capabilities, development potential, and other aspects, and select the best candidates for admission.  
Applicants who have not been admitted will be transferred to other scholarship programs and self-funded programs at the University based on the individual's intention to fill out the application.
4. The International Student Office of Tongji University will inform applicants of the admission results. You can also visit the “Notice” column on the website of Tongji University International Student Office (<http://study.tongji.edu.cn/>).

## **VIII. Other Information**

Scholarship winners:

1. Accepted candidates must go to a Chinese embassy (consulate) abroad to apply for a study visa, with their ordinary passport, *Tongji University Admission Notice*, and the *Visa Application Form for Foreign Students Studying in China* (JW202). The candidates must take the above-mentioned materials and go to Tongji University to apply for admission at the time specified in the notice, and apply for a residence certificate in accordance with the relevant provisions of the Exit-Entry Administration Bureau of Shanghai Public Security Bureau. Those who fail to report within the time limit without approval will automatically lose their student status as well as their scholarship qualification. You can visit the “Orientation” column of the school website for the admission instructions.
2. You need to participate in the annual review of scholarships as required. Those who fail in the evaluation will be suspended or disqualified from the scholarship.

3. In principle, the major and the study period cannot be changed.
4. Applicants who have applied to other universities in the Chinese Government Scholarship Management Information System should not apply to Tongji University.
