I. Degree

Bachelor of Medicine & Bachelor of Surgery (MBBS)

Curriculum:

<http://med.tongji.edu.cn/mbbs/education.aspx?pid=14&newsid=50378&academic=>

Duration: 6 years full-time

Tuition: 45,000 RMB per year

II. Qualifications

18-25 years old (born before Dec 31, 2001, preferably after Aug 31, 1994) non-Chinese citizen with non-criminal record, high school graduate or above, and in good health.

PLEASE NOTE:

If the applicant was born between Aug 31, 2001 and Dec 31, 2001, the applicant should provide us with his or her guardian's supporting documents as listed below.

1、 Copy of the passport main page

2、 China residential certificate issued by local police station

If his or her guardian is a Chinese citizen, a clear copy of the guardian's National Identity Card is required;

If not, a clear copy of the guardian's non-student residence permit which will not expire until Jan 31, 2020 is required.

3、 The original certificate of bank deposit (minimum deposit of CNY 100,000). Date of withdrawal should be no earlier than Jan 31, 2020.

4、 [The Guarantee letter](#)

And, Chinese immigrants in foreign countries who apply to study at Tongji as international students should meet the following additional requirements.

- Maintain a non-chinese citizenship for at least four years, and

- Reside abroad for at least two of the past four years (till Apr 30, 2019).

9 months residing abroad can be counted as 1 year, which is subject to the exit-entry stamps on visa.

III. Application Period

Deadline: **June 10, 2019**

☆ The newly-admitted students will be offered the MBBS entry scholarship (a one-off payment of 10% of the first-year tuition) if they have met the following requirements:

1. Receive the offer **before June 30, 2019, and**
2. Submit a certain tuition deposit **before July 31, 2019, and**
3. Register **on the specified date as per the admission notice.**

IV. Application Documents

- 1) "Application Form for International Students" of Tongji University
- 2) Copy of passport (Bio page with photo)
- 3) CERTIFIED/NOTARIZED copy of senior high school diploma /degree. If the diploma / degree certificate is currently not available, submit an official letter of expected graduation from the senior high school /university indicating the date of graduation / the degree that will be conferred. At the time of registration, applicants must submit the certified/notarized copy to International Students office of Tongji University (ISO).
- 4) An Original/Certified/Notarized Copy of transcript that must include a complete academic record of all the courses from the senior high school attended, as well as senior high school certificate examination results.
- 5) A true copy of English Language Certificate: IELTS 6.0、 TOEFL (IBT) 80 or higher. If the IELTS or TOEFL certificate is currently not available, applicants must attend the admission interview to be organized by the Tongji University School of Medicine (TUSM). Applicants who are native English-speakers or have studied in English-medium high schools are not required to submit English proficiency certificates.
- 6) Admission priority will be given to applicants holding New HSK Level 4 Certificates.
- 7) Admission priority will be given to applicants who can provide letters of recommendation/personal statement.
- 8) Admission priority will be given to applicants who can provide other supporting materials, e.g. award certificates, published articles, university admission notice, etc.

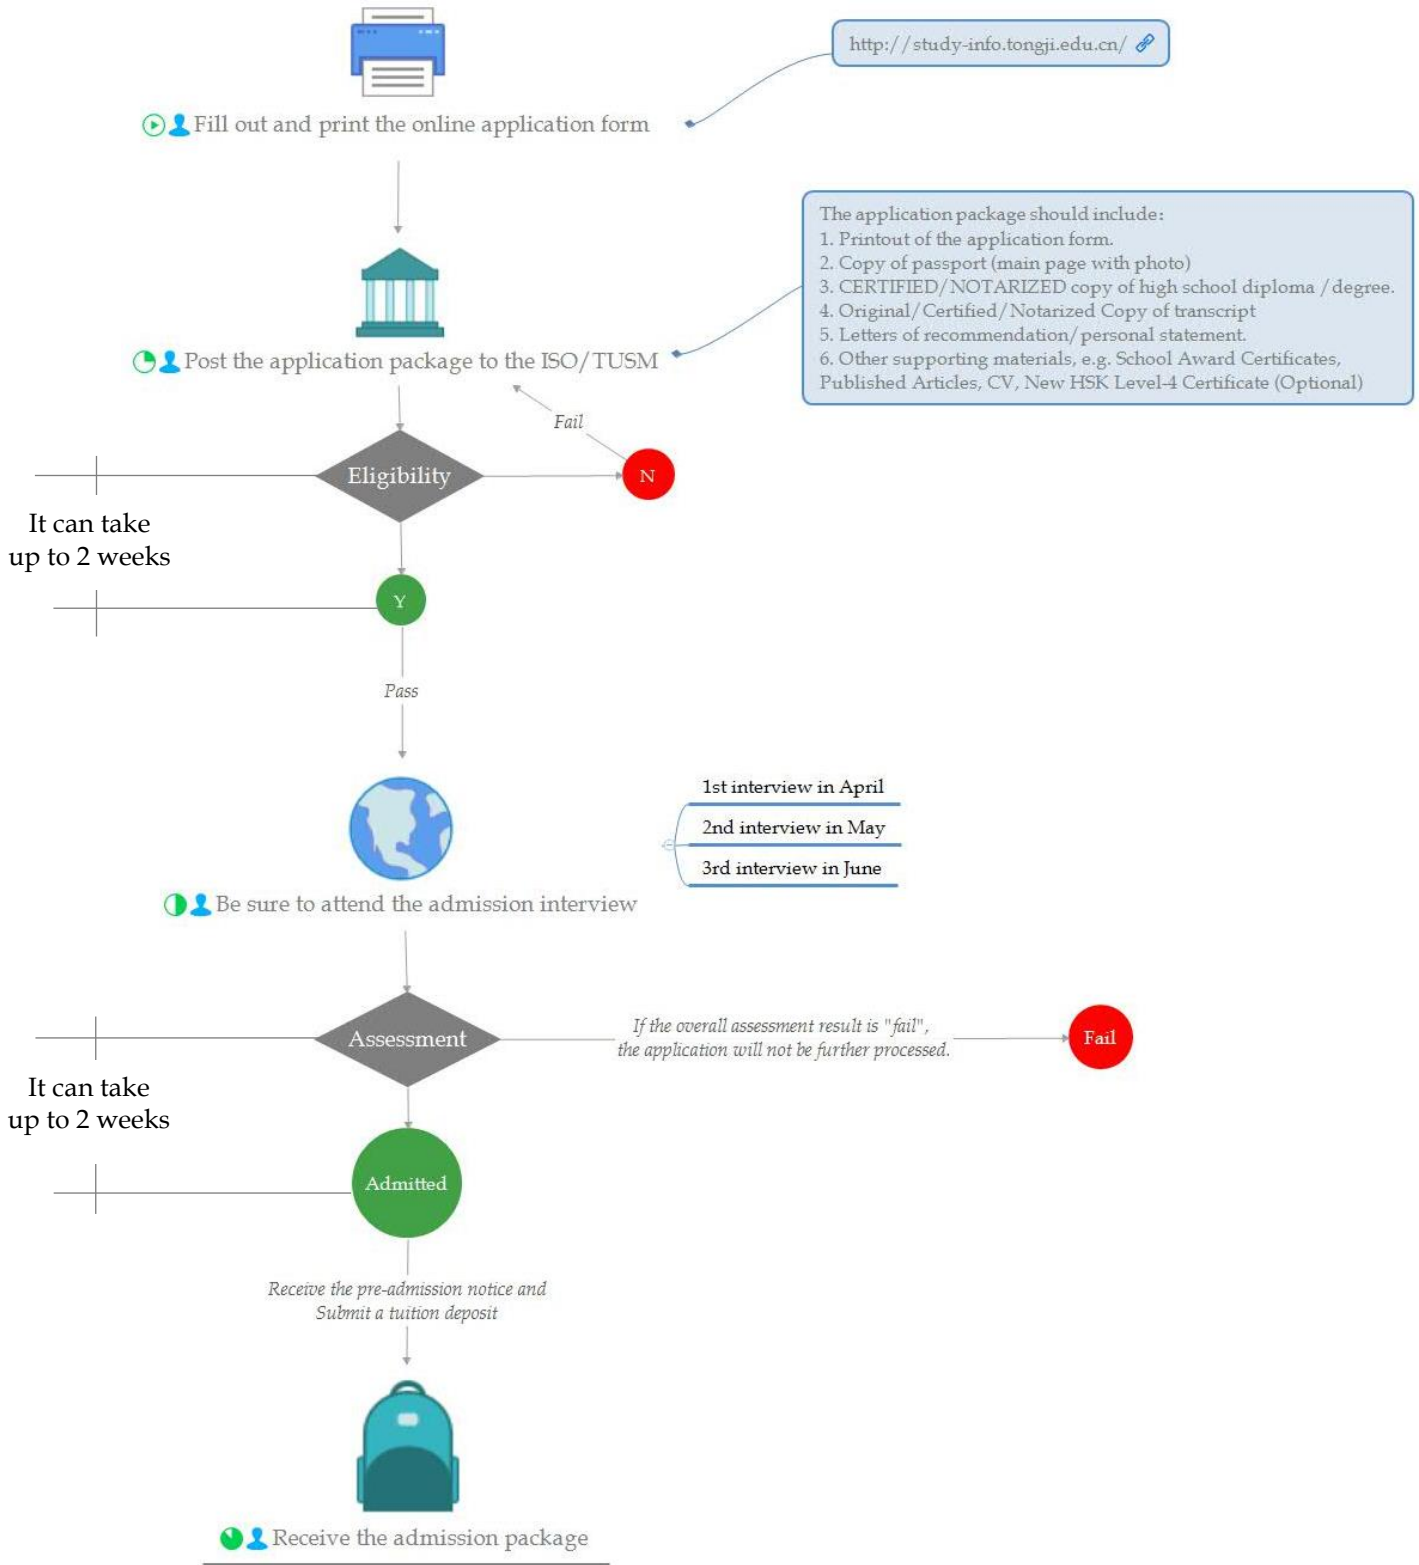

PLEASE NOTE:

"Certified" is defined as "stamped by the senior high school /university"

"Notarized" is defined as "stamped by the Embassy of China or the Consulates of China in the applicant's home country (or foreign embassies or consulates in China).

- 1) If the afore-mentioned certificate and transcript are not issued in Chinese or in English, they must be submitted along with the certified/notarized Chinese or English translation versions.
- 2) Any photocopy of transcript or diploma/degree without notarization or certification WILL NOT BE ACCEPTED.
- 3) All the required documents WILL NOT BE RETURNED once submitted, and application will not be processed if the documents are incomplete.

V. Application Procedure

1) Complete the online application procedure at the website (<http://study-info.tongji.edu.cn/>) and print out the PDF-version of the “Application Form for International Students” of Tongji University. One headshot within recent 3 months should be enclosed.

In case the online application system doesn't work well, applicants can move to the next step that is to post to the admission office, the application form duly filled in legibly in handwriting as well as other required documents.

2) Pay the application fee by bank transfer and send the photocopy of transfer payment slip along with the required application documents by post to the International Office of Tongji University School of Medicine.

Application Fee: 410 RMB (One-off & Non-refundable)

***Bank Transfer Information:**

Beneficiary Bank Name: Bank of China, Shanghai Branch

Beneficiary Bank Address: 23 Zhongshan Road (E.1) Shanghai 200002, P.R.China

Swift Code: BKCHCNBJ300

Beneficiary Name: Tongji University

Beneficiary Bank Account: 433859245525

3) The applicants can submit all the paper documents in person or by post or through agents. **The application package needs to arrive at the following address before the deadline, otherwise the application will not be considered.**

The application package should be titled with “MBBS Application” and sent to:

The International Office of Tongji University School of Medicine

Room 523, Medical Building, 1239 Siping Road

Shanghai 200092, China

4) The admission interview will be organized by the Tongji University School of Medicine with an aim to judge the applicants' potentials as well as their English proficiency that should be at least equivalent to IELTS 6.5 or TOEFL (IBT) 85. All the applicants including native English-speakers or those have studied in English-medium high schools will be invited to attend the English-medium admission interview (on-the-spot or skype) once their application documents pass the eligibility review. Without the “pass” interview result, their application will not be further processed.

VI. Admission and Registration

- 1) Please check the email as well as the online application status at any time. Once you are admitted by Tongji, the online application status will change accordingly. You will also be notified by the school via email. The Admission Notice and Visa Application Form (JW202) will be posted to your contact address or fetched by yourself from late June onwards.
- 2) The admitted students should bring their Passport, Admission Notice and Visa Application Form (JW202) to the Embassy or Consulate of the People's Republic of China to apply for a STUDENT VISA, and then come to Tongji University for admission registration on the specified date as per the Admission Notice.
- 3) Admission to Tongji University is selective and based on a thorough review of the application materials and interview performance. **First-year MBBS students who fail 25 credits in the first academic year will not be allowed to continue to study at Tongji.**
