I. Major

Architecture (International Class)

* This program is a 4 year (8 semester) program. For the first 3 semesters, students study in Tongji University. For the 4th to 7th semesters, students can choose to continue studying in Tongji University or studying a double degree at the University of New South Wales in Australia. For the 8th semester, students of the both options study in Tongji University.

Applicants who wish to apply for the double degree program should indicate in the application materials. Dual-degree graduates will receive undergraduate degrees from two universities and can take the Architects Professional Qualification Examination in China and Australia and other Commonwealth countries.

II. Qualifications

Over 18 years old, high school graduate or above, non-Chinese citizen, and in good health.

Note: Since 2010, those who immigrated to other countries from the Mainland China, Hong Kong, Macao or Taiwan and applying to study in Tongji University as international students, should meet the following additional requirements: the applicants must hold valid passport or other relevant international recognized documents for at least 4 years; meanwhile, in the latest 4 years (by each April 30th of the year of University registration), the applicants must have lived overseas for 2 years (Living overseas for 9 months can be converted to 1 year, which is subject to the exit-entry stamp on visa.).

III. Application Period

January 1, 2020 - April 15, 2020

*For Australian high school graduates who would apply for the double degree program, please refer to the UNSW webpage for admission requirements:
